

SHAKTI DESIGN RESIDENCY 2024

ABOUT SHAKTI

We are inviting creatives to take part in the Shakti Design Residency in India, an ambitious new annual initiative to support international design talent. During a four-week residency in New Delhi and Jaipur, four selected participants will be immersed in Indian craftsmanship and culture, visiting workshops and collaborating with local artisans and an international panel of world-leading design and creative mentors. The result will be the creation of a capsule of sustainable and innovative pieces inspired by their experiences and shaped for a discerning global audience.

The first residency will take place from 1 to 25 October 2024, and is organised in partnership with our sister retail company Curio and innovative design platform Basic. Space. Shalini Misra's farmhouse and grounds in New Delhi will serve as the hub for this exciting program.
